

EN COVID-19 Precautionary Measures

Welcome to the Musée de Charmey!

The Musée de Charmey welcomes you from Tuesday to Sunday, from 2pm to 6pm.

We kindly ask that visitors comply with the museum's hygiene and distancing rules at all times.

Hand hygiene:

- Hand sanitiser dispensers are available at the museum entrance. All visitors must disinfect their hands upon arrival.

Cleaning:

All surfaces – reception and shop furniture, mediation materials, handrails, door handles and WCs – are cleaned and disinfected on a regular basis.

Safe distancing:

- No more than 15 visitors are permitted in the exhibition space. The 1.5-metre rule must be observed at all times.

Visiting the exhibition:

- Wearing a mask is mandatory from 12 years old.
- Sales lists are available at the entrance to the Musée de Charmey. They are intended for single use only. Before leaving the museum premises, visitors are requested to dispose of them in the bin provided.
- To ensure observance of the safe distancing rule, no more than 3 people are permitted in certain areas (detailed indications provided on site).
- When passing another visitor in the corridor or on the stairs, the person leaving (coming down the stairs) has the right of way. Thank you for maintaining a safe distance even in these confined spaces.
- Our reception staff are at hand on all times to answer any questions visitors may have.

Guided tours and cultural mediation services:

- Guided tours and events are limited to 15 people (including the mediator).
- Wearing a mask is compulsory for children aged 12 and over.

Thank you for doing your part to keep yourself and others safe. Enjoy your visit!
